STAFF PARTIES

The background image shows a modern restaurant or lounge interior. The room features a polished wooden floor, several tables with green upholstered chairs, and a large television screen mounted on the wall displaying a golfer. Large windows on the right side offer a view of the outdoors. The lighting is warm and ambient.

ABOUT US

The venue is ideal for both the summer & winter months, so no matter how you envisage your event, we have you covered.

During the summer you are sure to soak up the rays from our stunning and spacious "The Lake View" balcony, which features panoramic views over our 18 hole course and lake. Simply step through to the terrace and the view is yours for the taking...

If you opt for a winter event, our beautiful suites offer cosy setting with wood beams, roaring fire, and our Green Lounge Snug is sure to be a winner for a break out room.

Why not book a viewing to experience the venue and our breathtaking views first hand.
